## LEMONS BRING OUT THE HIDDEN BEAUTY

Make this lotion for very little cost and just see for yourself.

What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to bleach the skin and to bring out the roses, the freshness and the hidden beauty? But lemon juice alone is acid, therefore irritating, and should be mixed with orchard white this way. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well, and you have a whole quart of skin and complexion lotion at about the cost of one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When applied daily to the face, neck, arms and hands, it should help to bleach, clear, smoothen and beautify the skin. Any druggist will supply three ounces of orchard white at very little cost, and the grocer has the lemons.—Adv.

## EAST CALAIS

Death of W. S. George, a Native of This Place, Occurred in Medford.

Wilson S. George of 231 Park street, Medford, Mass., passed away Wednesday evening Oct. 31, after an illness of six years. Mr. George was born in East Calais in 1870, the son of the late Edwin R. and Luella George, and passed his boyhood days in that town, going to Massachusetts in early manhood. He was employed by the Boston Elevated company for 23 years, at the Salem street car house. He is survived by his wife, who was Nellie E. Hall, and by two sons, Raymond and Chester; also by two sisters, Mrs. Oscar Bradford of Medford and Mrs. Frank Lathrop of West Medford, and one brother, Oscar George of Lowell, Mass.

Funeral services were held at his late residence Nov. 3 at 2 o'clock. A delegation of 30 carmen from Salem street car house attended the services, which were conducted by Rev. Francis D. Taylor, pastor of the First Methodist Episcopal church. There were many floral tributes, notable among them being those from the Salem street car house men. The pall bearers were Motorman Albert Craig and Harvey Hanson, and Conductor Richard Gordon and Eugene Dow of the Salem street car lines. The interment took place at Oak Grove cemetery, West Medford.

## Give The Stomach A Chance To Work

We can't expect the stomach to act normally if the natural avenues of elimination are blocked so it cannot dispose of its refuse. When the bowels are constipated the stomach is called upon for work beyond its capacity and the result is bloating, belching, headache, and discomfort generally, and, unless the condition is promptly relieved, serious illness.

An effective remedy for constipation is sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. It is a combination of simple laxative herbs with pepsin that acts on the bowels in a gentle, natural manner, without griping or other pain or discomfort, affording speedy relief. Get a bottle of Dr. Caldwell's Syrup Pepsin from your druggist and have it in the house when you need it; it costs only fifty cents and is the ideal family remedy, mild enough for children and old people, yet sufficiently powerful for the strongest constitution. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.

Claremont, N. H., on Wednesday to be with their daughter, Mrs. Ernest Hathaway, for the winter.

Mr. and Mrs. Eber Bashaw of Woodbury are working at Colonel Foster's.

Mrs. Lizzie Fay visited friends in Montpelier a few days recently.

Mr. and Mrs. Charles Rogers and Mr. and Mrs. Allie Smith and daughter of East Randolph were at Ellery Young's last Sunday.

Mrs. Edith Beard suffered a stroke of paralysis on Tuesday and her condition remains critical.

Rev. Mr. Merrill supplied the pulpit at the Davis church last Sunday.

Rev. Malcolm McKay of Oxford, Me., who is to be the community minister of this town, will speak at the Davis church Sunday, Nov. 18, at 11 o'clock.

The Red Cross benefit, under the auspices of the W. R. C. on Thursday evening, Nov. 15, promises to be a rare treat, as Marguerite Ray Albertson of the New York lyceum bureau, as reader, comes very highly recommended. She will be assisted by Clark's orchestra, which will also furnish music for dancing until 3 o'clock. Do your bit for the Red Cross by attending.

## Thousands of Children Have Worms

Their Parents Do Not Know It

Symptoms of worms in children are: De-ranged stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching eyelids, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, little red points sticking out on tongue, starting during sleep, slow fever.

Grown folks are subject to worms also. The one best remedy is Dr. True's Elixir, the Family Laxative and Worm Expeller. Good for adults also. Mrs. Curtis, of Houston, Texas, believes this, and writes that she will be glad to tell her friends of the benefits she has received. Get a bottle to-day at your dealer's, 40c, 60c and \$1.00. Write for further information.

Dr. J. F. Spence, Author, Maine.

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.
